(We know many do this type of visiting already, but with the Pastor gone for a few months, I think it would be good for any who can to sharpen their skills in this very important area.) We'll seek to give you some notes and helpful suggestions, some simple tools to use, scriptures to share, and the allaying of fears with some of these situations. (**Please sign up on the bulletin board** so we have a better idea of how many sheets to copy for handing out.) Feel free to speak to Pastor Steve for more information.
