MISSIONARY NOTE

Stuarts - Brazil

"Once again, we want to thank you for committing to pray for us. We've been in Brazil for over two weeks now and don't have time for a general update but we do need to ask for prayer. We moved into our house and are finding some problems with it. Overall, it's wonderful but we are discovering that some of the work was done poorly. The most urgent issue is that somewhere during construction the pipe to the septic tank was blocked. This means that so far we have no toilette and have to drive to the aviation hangar to use the bathroom. Maybe I should just mount the toilette on top of the septic tank! :-)"
